## **Race classifications:**

### **1. General Classification:**

The winner shall be the rider whose sum of times in individual stages, including time bonuses and penalties, will be the lowest. The leading rider of GC receives race leader jersey, in which is obligated to start.

If, in the final classification at the end of race the times are equal the winner shall be decided by:

1. fractions of seconds clocked to respective riders in the individual time trial
2. the lower sum of placements in individual stages
3. the better placing in the last stage

### **2. Mountain competition:**

Consists of 6 mountain primes:

The 2<sup>nd</sup> category in the 2<sup>nd</sup> stage, scored the first three riders - 3, 2 and 1 point, the 1<sup>st</sup> category in the 3<sup>rd</sup> stage, scored the first four contestants - 5, 3, 2 and 1 point.

The winner of this contest is the rider with the highest number of points. The leading rider of the competition will receive the best climber jersey in which he is obligated to start.

In case of equality of points in the general classification of this competition by more of the riders decides:

1. the higher number of victories in the mountain premiums of 1<sup>st</sup> cat.
2. higher number of victories in the mountain premiums of 2<sup>nd</sup> cat.
3. the better placement in the general classification of individuals

### **3. Competition "U23":**

The winner of this contest becomes the rider of category U23, with the lowest sum of times in GC. The leading rider of cat. U23 receives jersey, in which is obligated to start. Medalists in the competition receive cash prizes.

### **4. Team competition:**

Classification is based on the sum of the three best individual times from each team. In case of equality of time in stage classification, the winner shall be decided by:

1. better sum of placements of the first three riders in a team with the best time in the stage
2. better placing of the best rider of the team in the finish of the stage

The general team classification is sum of the individual times of the first three riders of each team in all stages.

In another case of a tie in the overall the team classification decides:

1. higher number of 1<sup>st</sup> places at the team competition in the stages
2. higher number of 2<sup>nd</sup> places at the team competition in the stages etc.
3. better placing of the best rider of the team in GC.

Team reduced to fewer than 3 riders is excluded from the competition.

### **5. Points Competition:**

The winner of the competition is the rider with the highest number of points. Ranking points at the finish stages with a mass start, the first 15 places: 25-20-16-14-12-10-9-8-7-6-5-4-3-2-1.

And the intermediate sprint bonuses 3-2-1

1. the higher number of victories in individual stages,
2. higher number of victories in the sprints counting into the GC of points competition,
3. the better placed in the final ranking of the GC

The leading rider of the competition will receive a jersey in which he is obligated to start.
